Dear Mr Becker,

I would like to take this opportunity to express my appreciation to you and the entire staff at the Becker Agency for the outstanding handling of all our insurance needs, both business and personal.

Over the past ten years your agency has continually provided us with the highest quality of service with companies that have met and exceeded our expectations, at a competitive cost. Your periodic review of our needs and coverage has in many cases resulted in better coverage at less cost. Attention such as this means a lot, especially in these economic times when we try to keep expenses down without sacrificing quality.

We look forward to many more years of association with your agency, and again thank you for your personal assistance in the handling of our account.

Very truly yours,
RC SERVICE
