Mr. Christopher J. Becker
Becker & Associates Planning Services
176 Earle Avenue
Lynbrook, NY 11563

Dear Chris:

Your firm has been taking care of our insurance needs for the last 6 years. We are very happy with the service you have been providing us. I know it's not easy to find adequate, appropriate, and affordable coverage for a health club. Nevertheless, every year you have been able to do so.

Your response time is excellent! Whenever I call the office I get an answer usually immediately, if not immediately within 24 hours. That's refreshing! Ironically, in today's mass communication environment, it seems harder to get a hold of people than ever before.

I happily recommend Becker & Associates Planning Services to friends, family, and business associates. I look forward to many more years working together. Thank you for the hard work, dedication, and sincere interest in my success.

Yours truly,

Thomas Sheehan
